TO: Chief, Contracts Division,  
Attn: [ ]  
FROM: Chief, Plans, OSG  
SUBJECT: Contact with Abromsik  
REFERENCE: Telephone Conversation, 8 February 1952

1. At your request the following memorandum summarizes the position that we desire the [ ] and representatives of the Contracts Division to take during any future meetings with Mykola Abromsik.
  2. Abromsik should be informed in connection with the Ukrainian clothing collection program that we are interested in both male and female clothing and that all examples should be packaged and mailed to an address in New York or Washington. It is requested that your Division provide such an address for receipt of this clothing. Abromsik should be further informed that payment, after the clothing has been received and evaluated, will be made in any form he desires, through the mail or by personal delivery to a designated representative. Such an arrangement is certainly not ideal but appears to be by default the most workable ad hoc solution.
  3. The difficulties occasioned by the fact that you "have not been informed of the subjects discussed in Washington" and "find it rather difficult to advise Abromsik" is fully understood. In the few weeks remaining before Abromsik's return to Europe, it is requested, however, that you continue to act as a channel of communication for any written or verbal statements which Abromsik desires to pass to his operational contacts, advising Abromsik on those occasions that you are such a channel and that comment upon or answer to any questions which he desires to introduce must be transmitted to Washington headquarters for action.
  4. If the arrangements for the delivery and payment for clothing or any of the other details of your contacts with Abromsik require further classification by this Division, it is requested that you contact [ ] (ext. 2176).
